

2016--- Dear Future Kindergarten Students and Parents,

Let's get ready for a new adventure this summer by spending some time with books! We encourage students and parents to read independently, with each other, or to each other! Work on reading about **10 minutes or a little more per day**. Here are some recommendations of books you will really love. Choose at least **3 books**, read them and **draw a picture of your favorite part**. Have someone help write the name of the book and one sentence telling about the part you drew. Put the sentence and title on the bottom of the drawing. Keep a reading log. Students, have someone help you write down all the books you read this summer for your reading log!
