

## 2017 First Grade Summer Reading List

Dear Parents of Incoming First Grade Students,

First grade students will continue to build on the reading skills they have developed from Kindergarten. Many students are emerging readers while some may be further along in their skills. It is important for students to read books on their skill levels, continuing to practice, practice, practice. Reading practice is important at every grade level, but none more than first grade. Make reading a priority over the summer and every day of the year! Keep a reading log, reading 15-20 minutes daily.

*Bob Book series (a kit of books for phonetic reading and sight word practice)*

*Dr. Seuss series by Dr. Seuss*

*Biscuit series by Alyssa S. Capucilli*

*The Fat Cat Sat on the Mat by Nurit Karlin*

*Fancy Nancy series by Jane O'Connor*

*Splat the Cat series by Rob Scotton*

*Pinkalicious series by Victoria Kann*

*Watch Out for Joel! series by Sigmund Brouwer*

*Junie B. Jones series by Barbara Park*

The reading log should have the dates, title of books, time reading, pages, and parent signature for each day of reading. In addition, please choose two of your favorite books for a report. Draw a picture of your favorite part of the book and write three or four sentences telling why this is your favorite part. Be sure to include the title and the author of the book. Happy Summer!
