

Crusader Summer Camp Enrichment Program

Mangini

Math Boot Camp

July 17th to July 21st from 9:00am to 11:00am

Students Entering 1st Grade

Minimum 10 students

Join me as we make the marvelous, “smooth” Math transition from Kindergarten to 1st grade. In addition, we will be reviewing reading and writing skills. Learn the basics needed to be successful in first grade. We will be covering addition and subtraction facts, review key concepts, and stimulate our brains with math activities and games. The camp will help your child feel more comfortable with their transition into first grade as their brains will be warmed up after a nice summer break!
