

Crusader Summer Camp Enrichment Program

Mrs. Medico

Math Boot Camp

July 17th to July 21st from 9:00am to 11:00am

Students Entering 2nd Grade

Minimum 10 students

Join me as we make the marvelous, “smooth” Math transition from 1st grade to 2nd grade. Learn and review the basics needed to be successful in second grade. We will review addition and subtraction strategies, multiplication facts, place value and place value exchange, bonding, fact families, exchanging place values, problem solving using different methods, and we will review mental math strategies. We will spend some time each day solving word problems through a pictorial approach. Also, each day we will do drills and play games involving addition, subtraction, and multiplication basic facts. It will be a great review and truly an enriching learning experience in preparation for 2nd grade.

Camp Name: Boot Math Camp

Camp's Teacher Name: Mrs. Medico

Camp Date: July 17th to July 21st from 9:00am to 11:00am
