

## Crusader Summer Camp Enrichment Program

Mrs. Fagiani

Soccer Camp

June 19<sup>th</sup> to June 23<sup>rd</sup> from 9:00am to 12:00am

Students Grade 1<sup>st</sup> to 5<sup>th</sup>

Minimum 10 students

As young children develop motor skills, they are naturally drawn to the challenges of playing with, and controlling, a ball. And not only does soccer provide these challenges, but at the same time it develops endurance, strength, coordination skills, cognitive ability, and social lessons. And to play a good game of soccer, a child needs a positive attitude and tactical understanding of the games ebb and flow.

The students will learn basic soccer skills, positioning, and teamwork throughout the week. On Friday, we will play a tournament to wrap up our week and demonstrate skills learned.
